Dear Lucille,

Received your letter

of you folks getting a
new Automobile.

Have you heard from
Elva Michels lately? If not

surprised to hear of her
being Mrs. Kyle Chapman

My Hubby and I are
living up at Furgans

Can you feature that,
He are clearing and

going to build our house. Just
put the logs up.

I guess you will just half to
keep on thinking us mean. He do
half to do a few things if we
ever expect to get any where. He
might be able to get quite a little
done before snow fly and still it
might be the other way.

Mama & Dad had a nice
trip to Missoula. Only Dad was
awfully sick when he got back.

Got a nice letter from your
Aunt Della and must answer.

Junior was just up and left
again. He is going after Pat Mahoney
there working on the Budge
down there.

Glad the Kids & Mother is
